
We are excited to announce that there are several major enhancements now available.

Program Details

- CG 22 94 Flexibility - ability to remove on all contracting classes.
- Rate Credits - Meaningful credits on risks with higher subcontractor costs
- Remodeler Program - (\$1M/\$2M limits) and no classification limitations (not available in all states)
- Job Site Pollution - Sub-Limits available on 100+ contractor class codes with MPs as low as \$150

Rated A (Excellent) by A.M. Best
